20th ANNUAL NM DATA USERS CONFERENCE

Presented By: BUREAU OF BUSINESS & ECONOMIC RESEARCH

New Mexico’s Premier Conference for Beginning and Professional Data Users

November 15, 2018
7:45am - 4:45pm
CNM Workforce Training Center

BREAK OUT SESSION TOPICS INCLUDE:

Local NM Data
Census 2020
Rural Geographies – Census Designation
Census Partnerships for a successful count
Navigating Census Website
NM Economic Outlook

The Data Users Conference is New Mexico’s premier forum for beginning and professional data users in the state and surrounding areas.

The plenary session will feature information on the 2020 Census covering ways to respond to the Census, importance of accurate address lists and the 2020 Census timeline.

Robert Rhatigan of UNM Geospatial Population Studies will discuss New Mexico’s efforts and challenges as we prepare to participate in the 2020 Census. Robert will also provide updates on annual population estimates and the latest projections for the state of New Mexico.

Jeffrey Mitchell, Bureau of Business and Economic Research Director will provide a review of New Mexico’s recent economic performance and outlook.

Early Registration: Prior to Oct 1 $65*
Regular Registration: Oct 1 - Nov 4 $75*
Last Minute Registration: Nov 4 - Nov 1 $85*

*fees are per person
